ABOUT JEFF YOUNG

I am a 50-something and have been a graphic designer and desktop publisher since 1988. I have my own company, Jeff Young Design and have been based in Las Vegas, Nevada for nearly 20 years. I have a fully-equipped, professional home office with up-to-date hardware and software. I am married and own my own home. I am also a veteran of the United State Navy, and this entitles me to Veteran's Administration health care benefits.
